Revised 05/2024

Mailing Requirements for Filing Board of Zoning Appeals and Planning Board Applications

By order of the Board of Trustees at the Regular Meeting on April 5, 1999 and amended on August 8, 2011, the following requirements shall be in addition to all others listed on the present BZA /PB application:

1. The applicant shall be required to file as part of the overall BZA/PB package, a current 200- ft. radius map prepared by a licensed architect, surveyor or professional engineer.

This radius map shall:

- a. Indicate all adjacent property owners within a 200 ft. radius from each of the applicant's property lines.
 - b. Include on it or have attached a **list of names, addresses, lot and block** of all listed above.
2. The applicant shall verify the names of abutting property owners as shown on the most recent Village Assessment Roll.

NO APPLICATION WILL BE CONSIDERED OR FILED WITHOUT THIS RADIUS MAP AND LIST.

3. Once the date of the Board of Zoning Appeals/Planning Board hearing is set, the applicant shall be required to send by **certified mail, return receipt requested**, a copy of the legal notice of the hearing to all owners on the above described list. The applicant should request a copy of this legal notice from the Village office to utilize in applicant's mailing.

This mailing must be done not more than 25 days and not less than 15 days before the BZA/PB public hearing.

4. The applicant shall then be required to submit to the Village Hall a copy of all certified mailing receipts, along with a list of residences notified at least 5 business days before the hearing date, together with the applicant's affidavit of mailing, a form of which is attached hereto.

Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

<input type="checkbox"/>	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.
<input type="checkbox"/>	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.
