PHONE SCAM ALERT

Phone scammers often target elderly victims. Recognize the signs of a scam:

STOP

every time you are asked to immediately **wire money, pay with gift cards**, or asked for personal information.

CHECK

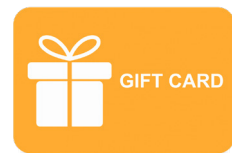

that the caller is who they claim to be. **BEWARE OF SCAMS INVOLVING GRANDCHILDREN BEING ARRESTED.**

ALERT

authorities by reporting scams to your local Police Department and the **FEDERAL TRADE COMMISSION: 877-FTC-HELP.**

MENTION

the scam to your friends and family.

LEGITIMATE AGENCIES NEVER ASK FOR IMMEDIATE PAYMENT AND NEVER COME TO YOUR HOME TO COLLECT CASH.
